--- It is seen from this as well as other files of similar nature, that Neither the L.E nor the other Heads of Depts. Concerned with each case seems to realise the importance of giving prompt replies or reports in cases in which the centre is interested. The damage that is likely to be done will — Indian publications — and reports to International orgns. omitting all reference to Mysore. It seems necessary to circularise all the Dept. Heads that such instance should not be allowed to occur in future — But this is a point on which advice may be sought through the Ch. Secy. — — —

Dated Bangalore, 30th December 1950.

From

The Chief Secretary to the Government of Mysore.

To

All the Heads of Departments.
The Deputy Commissioners of Districts.
The Secretaries to Government.

Sir,

I am directed to state that it has been brought to the notice of Government that consequent on the failure of Heads of Departments to furnish replies in time, inordinate delays have occurred in sending replies to the Government of India. Such delays in important cases have resulted in All-India publications and reports to International Organisations omitting all reference to the progress achieved by Mysore in respect of several matters. For obvious reasons, this should be avoided at all costs.

Heads of Departments are, therefore, urged once again to see replies or reports in respect of matters in which the Government of India is interested are dealt with on a *top priority* basis without giving room for any delay at any stage.

Yours faithfully,

K. SRINIVASAN,
Chief Secretary to Government.
